National Media Survey KMT 2023

Auto Bild Suomi shows the big turning point in car industry when electric cars rapidly increase their share in new car market. Comprehensive tests and comparison for new cars is valued content for our readers – not to forget test runs for used cars. We are the only one in Finland to publish thorough 100 000 km durability tests. The magazine also offers practical tips for conserving and taking care of your car. We test Finland's most popular car makes under Finnish conditions in all seasons. These test runs are carried out by our own top professionals in editorial. Worldwide expertise and international success concept are behind this magazine.
