Hifimaailma is the go-to magazine for product reviews, tests, comparisons, special reports and advice on hi-fi and AV equipment. Whether traditional two-channel systems or home theatres, televisions, earphones, technical innovations or streaming devices, it's all there.

Hifimaailma covers basic gear and high-end units with equal thoroughness. The magazine offers buyer's guides and information that help readers choose the best audiovisual device. And, of course, we never forget the people behind the equipment, doing what they love.
