

HIFI maailma

Magazine dedicated
to the world of audio
& video!

8 issues per year.

Hifimaailma is the leading home audio system magazine in Finland, whose versatile combination of readers are drawn together by their passion for high-quality sound and image. The magazine offers tests, comparisons, special reports and advice as well as the latest product reviews – whether traditional two-channel systems or home theatres, earphones or streaming devices, it's all there. The magazine covers both basic gear and high-end units and offers interesting articles to help the readers get the most out of their audiovisual purchases. One important area of coverage are reportages of the various exhibitions in the field. And, of course, we never forget the people behind the technology.
